

## WOZEROFA International Zero Waste Facility Certificate

What is the SUSCERT WOZEROFA Worldwide Zero Waste Facility Certification?

Companies looking to reduce their environmental impact and carbon footprint are turning to sustainability initiatives like Zero Waste to significantly improve their environmental management, corporate responsibility profile and ESG rankings. To help you communicate how you reduce, recycle and reuse your waste, the SUSCERT WOZEROFA (Worldwide Zero Waste Facility) Standard provides a certification basis for waste diversion and reduction at your individual facilities.

### OPERATION ZERO WASTE

8-Step Process to Achieve Zero Waste to Landfill

Zero Waste is a corporate/business/lifestyle philosophy that aims to reduce the amount of waste produced by businesses, governments and individuals through the reuse of existing materials, proper management of materials identified as waste and preventing materials from entering the waste stream in the first place.

SUSCERT WOZEROFA provides strategically customized International Zero Waste Certification across sectors

According to the requirements of the International Environmental Rules, the Zero Waste certificate, which is one of the most important factors of sustainability, has a global nature;

The WOZEROFA Zero Waste certificate is just one of the many certificates that a company can obtain as part of its ongoing sustainability journey. SUSCERT offers more than 100 certification and verification programs for a wide range of products and processes to help them grow towards becoming more sustainable and environmentally friendly.

SUSCERT WOZEROFA certificate plays a very important role in the international sustainability supply chain of companies, especially in product/service supply. This certificate is not presented to the entire supply chain and customers as evidence of the applicant company's sustainable corporate goals.

## Certification and Registration

After the International WOZEROFA Zero Waste application is reached to SUSCERT, the process towards Zero Waste Certification can begin.

WOZEROFA Certification consists of three different performance levels:

- SILVER
- GOLD
- PLATINUM

Categories are carried out.

This status is provided according to the evaluation score received by the Facility.
